Herbalist & Alchemist Announces 5 New Lung Re-Leaf™ Formulas

Washington, NJ - Herbalist & Alchemist, Inc., one of America's premier herbal extract companies for 25 years, announces Herbalist AHG, David Winston's newest formulas – 5 **Lung Re-Leaf™** Compound formulas.

David notes that, *“Traditional practitioners do not treat all lung conditions similarly. It is extremely important to take into account the energetics of the lung condition.”*

“My new formulas are based on a triune system of energetics that I have been refining for over 30 years. Each formula is constructed selecting herbs with the opposite characteristics to the person's symptoms to balance the condition.”

Our highest quality, carefully chosen certified organic, ethically wildcrafted or high grade Chinese herbs are extracted into certified organic, USP grade extractants and then blended into David's formulas. We are proud to present:

- Lung Re-Leaf™ **Hot/Damp**
- Lung Re-Leaf™ **Cold/Damp**
- Lung Re-Leaf™ **Hot/Dry**
- Lung Re-Leaf™ **Cold/Dry**
- Lung Re-Leaf™ **Antispasmodic**

David Winston, AHG, founder and President of Herbalist & Alchemist, is an internationally known herbalist and ethnobotanist. He has been in clinical practice for over 30 years and is an author of 3 books on herbal medicine as well as a noted lecturer at medical schools, symposia, and professional seminars.

Detailed information prepared by David Winston's Herbal Therapeutics Research Library is available upon request.
